

SUPPLEMENTAL AMENDMENT UNDER 37 C.F.R. § 1.111
U.S. Appln. No. 09/698,143
Atty. Docket No. Q60866

REMARKS

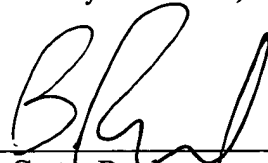

Applicants file concurrently herewith a Submission of Formal Drawings for figures 1-34. The submitted drawings are believed to obviate the informalities indicated on Form PTO-948 attached to the non-final Office Action (Paper No. 7) dated November 21, 2001.

The Draftsperson's objections necessitated Applicants' amending the figures to change the sectional designations from Alphabetic to Roman numerals. Accordingly, Applicants amend the specification, as shown herein, to reflect the new sectional designations by Roman numerals.

If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly invited to contact the undersigned attorney at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

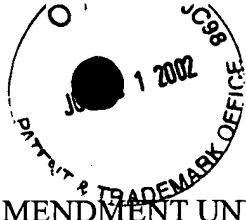

Respectfully submitted,
